

# Revive your skin

with Green Rooibos and Co-Enzyme Q10!

As we age, our skin cells lose energy, resulting in tired-looking skin. Annique Rooibos's Forever Young Q10 Therapy, with pure co-enzyme Q10, boosts cell vitality for a youthful and healthy complexion.

Experience visible results and embrace the key to natural skin rejuvenation with Forever Young Q10 Therapy

## Co-Enzyme Q10

- A natural substance found in nearly every cell of the body
- Decreases sharply with age and UV exposure, therefore it is crucial to add this key anti-ageing ingredient to your skin care regime
- Plays a crucial role in cellular energy delivery and boasts powerful antioxidant benefits
- Helps tighten and refine skin
- Makes the skin look and feel firmer, softer and well-toned

## Evening Primrose Oil

- Helps to repair the skin at the cellular level
- Rejuvenates the skin
- Has potent anti-ageing properties

## Green Rooibos

- Packed with natural antioxidants
- Provides anti-ageing benefits
- Anti-inflammatory and skin soothing

Dubbed as "Your skin's Energy Drink," Annique Rooibos Q10 Therapy delivers remarkable, dream-worthy results.

It helps:

- Accelerate skin metabolism to restructure collagen fibres
- Generate new skin cells
- Improve blood circulation
- Distribute nutrients for skin protection and restoration

“

"I cannot live without Q10 Therapy. It gives my skin a more even complexion and reduces fine lines and wrinkles. It really makes my skin look beautiful."

– Ralie Coetzer
