

# Anti-Ageing FOUNDATION

Feels Like Silk SPF 15

Suitable for dry, mature, and combination skin types

A premium, fragrance-free foundation designed for mature/dry skin with pro-youth ingredients. Offers luxurious, long-wearing, transfer-resistant coverage, moisturising and reviving the skin for a flawless, healthy complexion.

“

“I just love the Feels Like Silk foundation. It moisturises my dry skin, while providing even coverage and a beautiful glow. It is outstanding!”

Adele du Toit

## Ace your base:

How to get the most out of your foundation

### Prep your Skin:

- Rinse with warm Rooibos water in the morning.
- Follow Annique skin care routine, including moisturiser, anti-ageing treatment products, freshener and sunscreen.
- Apply Feels Like Silk Foundation.

### For Optimal Coverage:

- Apply Colour Caress BB Cream after skin care routine.
- Follow with Feels Like Silk Foundation and make-up.
- Reapply BB Cream and foundation as needed, especially when out in the sun.

## Key Ingredients:

### Chronomoist+:

Encapsulated hyaluronic acid for moisture retention and youthful-looking skin.

### Silicones:

Ensure a soft finish.

### Unique plant extracts:

Mimic skin movements for comfortable wear.

### Sun protection SPF 15:

Prevents premature ageing and uneven skin-tone.

### Green Rooibos:

Provides antioxidants that protect against environmental damage.
