

“It works!”

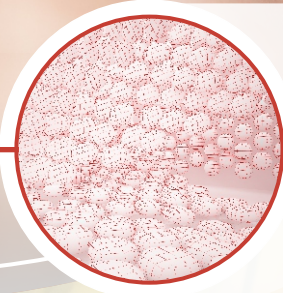

“My skin care routine used to focus solely on my face, overlooking my neck and bust. However, since adding this product to my daily routine, I've seen noticeable improvements. Within just a month, my skin-tone improved and my neck and bust appeared firmer. The product's pleasant scent makes me feel like I'm indulging in a spa experience every day.” **Ruzelle**

**Essence Firming
Neck & Bust Cream
75ml**
SCESS20116

- Helps tighten, lift and firm
- Evens out the skin-tone
- Promotes a smoother-looking complexion, especially if the skin is sun-damaged and/or neglected skin
- Boosts the skin's elasticity

What's inside?

Firmex:

- Strengthens the internal structure of the skin
- Recovers and maintains firmness and elasticity

Natural alpha hydroxy acids (AHAs):

- Promotes smoother, younger looking skin by increasing the rate of cell renewal

Rooibos:

- Has free-radical-quenching abilities to help protect skin and preserve a more youthful look
- Helps to calm, soothe and rejuvenate skin

**ANNIQUE
