

EARN R18 000 in only 6 months on

your team

In this article we will demonstrate how a Consultant can increase his/her income to R 18 025 within six months. In order to do so you have to focus on the Fast Start and Bright Star bonuses as these bring in an income. In the example, the Consultant qualified as a Manager within six months. He/She built his/her downline wide, but also helped the Consultants do the same in their downlines.
